Pope Francis' Monthly Prayer Intention

November 2018

It's befitting in a month of remembrance, that Pope Francis asks us to pray for peace. We are asked to imagine a worldwide culture of peace in which conflicts within and between communities and countries are managed through nonviolent means. It isn't beyond us. We can all start building peace in our own small ways, from ethical shopping, to campaigning for fairer and far reaching human rights. We can begin by building understanding and awareness in our own families. We can teach our children what it must feel like to walk in someone else's shoes. This month we are invited to join in Pope Francis' prayer intention "**.. that the language of love and dialogue may always prevail over the language of conflict**"
