11th November 2018

32ND Sunday of Ordinary Time

If everyone gave what they could, what a very different world it would be!

Jesus sits down opposite the treasury, and watches the crowd putting money into the treasury. Many rich people put in large generous looking sums, but nevertheless large sums that they can easily afford. Then along comes a poor widow and puts in two small copper coins, doubtless all she has. Jesus points out that because she has given her all, her contribution is worth far more than that of the rich.
